

Night HOP.

The safe, easy way to get around.

The Night HOP was created to give you a safe choice when you travel between popular places around town and your home at CU.

Tips for riding

- ▶ Night HOP drivers watch for riders at designated stops and along the route. If you're not at a stop, signal to a driver to stop and pick you up.
- ▶ Many shop and bar employees know Night HOP stops and schedule information – just ask as you're leaving.

Ride responsibly.

- ▶ It is against the law to carry any open alcohol containers on board.
- ▶ Please respect the driver and other riders.
- ▶ Keep your voice down.
- ▶ Take your trash with you.
- ▶ Damaging the HOP bus in any way may result in a fine up to \$750,000.
